Fun Series

Fun Series is an exceptional offering from THE CHEF STORY, infusing excitement and joy into everyday cooking. Crafted exclusively for millennials, the pots and pans in the series are vibrant on the outside, sturdy on the inside, and eco-friendly at the heart. Thus complementing both, contemporary kitchen and contemporary approach to cooking.

Features of the products in this series:

Serigraphic Exterior : Serigraphic exterior which matches your meal time.

TEFLON™ NONSTICK COATING

Teflon is a trademark of The Chemours Company FC, LLC, used under license by THE CHEF STORY.

Stay-cool Phenolic detachable handles:

Phenolic detachable Handles Stay cool even at high cooking temperatures and has heat resistance up to 170°C and remains cool to touch when cooking. It can be used as normal handle while cooking on the gas stove and at the same time you can detach the handle from the pan if the pan needs to stay in oven.

Water Based Coatings:

The non-stick coatings made without PFOA on THE CHEF STORY products are affirmed safe for cooking by regulatory agencies worldwide. Teflon™ is a brand many households recognize for high-quality non-stick coatings on cookware. The Teflon™ brand is registered and owned by the Chemours Company. Teflon™ is a trademark of The Chemours Company FC, LLC used under license by THE CHEF STORY.

100% Eco-friendly Process

The body of the pots and pans are made from recycled aluminium there by minimizing the impact on environment and contributing positively to the environmental balance.

Lunch

Dinner

Pressed Aluminium- Ultra conductive

Construction: FOR QUICK HEAT DISTRIBUTION AND CORROSION RESISTANCE. Pressed aluminium utilizes compressive force of hydraulic press to shape a cookware from a sheet of aluminium and the result is a very quick-heating cookware thereby using less energy.

Two Way Non-Stick:

Unlike all the traditional non-stick cookwares available in the market which are coated with silicon polyester on the exterior, THE CHEF STORY range is coated with non-stick coating on the exterior as well. The non-stick coating on the exterior ensures easy cleaning and better scratch resistance and thus increases the longevity of the pots and pans

1

Warranty:

THE CHEF STORY provides a warranty of 1 year from date of purchase to be free from defects in materials and workmanship under normal household use.

Shatter Resistant Tempered Glass Lids:

Extra strong tempered glass lid allows you to see the cooking process without lifting the lid, thus keeping the flavour and moisture in.

100% Recyclable Aluminium:

The body of the pots and pans are made from recycled aluminium thereby minimizing the impact on environment and contributing positively to the environmental balance.
